

Visit us at **TOTAL** Exhibition this month, stand 5248!

Chronos BTH would like to invite you to visit **Stand 5248** at the **Total Processing & Packaging 2010** show at the **NEC Birmingham** on **May 25 – 27, 2010**.

A recent evaluation of our reference list for conventional and robot palletisers identified a combined installed equipment base of more than 700 successful installations around the world. Reflecting this expertise stand 5248 will feature a **CHRONO-PAL™ RPL Robot Palletiser**, which utilises a **FANUC** robot palletising arm – come and see what everyone is talking about!

Chronos BTH incorporates Premier Tech, Richard Simon, Chronos Richardson and Verville for European spares, refurbishments, service, installation and commissioning.
